FARMER BOY CONFESSES TO STEALING VALUABLES

Walter Parker is Given Sus-
pended Jail Sentence and
Released.

Walter Parker, arrested last Sunday afternoon on a charge of petit larceny, on complaint of Oscar Matz of Osceola, confessed to Judge Feig Friday morning that he stole the handkerchief containing \$3 in money, and two rings valued at \$10, from Matz's farm house. Parker has been in and out of the local police court every day this week on this charge and stoutly denied the allegations. The confession came about when Matz told Parker that he would drop the case against him if he told the court he took the money.

He was given a suspended jail sentence of one year and a suspended fine of \$1 and costs, amounting to \$11. He was released and told to leave the city.

Mike Nelson, arrested Thursday morning on a charge of public indecency, was found guilty Friday morning and given a fine of \$5 and costs, amounting to \$15. He paid and was

released. Christ DeWitt, arrested for public intoxication and fined \$1 and costs, was unable to pay and was committed to the county jail.

Tony Nafardi again appeared in court Friday morning after a vacation of several weeks. He is being held on a charge of assault and battery on complaint of his wife, Regina Nafardi. He pleaded not guilty and his case was set for Saturday morning, Sept. 25. He was placed under \$300 bonds.

The freshmen class held a meeting Thursday evening and elected the following officers: Harold Jones, president; Marion Clark, vice president; Margaret Gigg secretary; Eugene Heick, treasurer. The freshmen did not elect a sergeant-at-arms, as the meeting was a quiet one.

The football squad held their first practice Thursday evening. A large crowd turned out, notwithstanding that over half of the heavy men could not get their parents' consent. It is thought that Mishawaka will have a strong team for the first year.

Organization of a tennis league among the students of the high school is now under way and it is expected that by the early part of next week schedules will be arranged. It is planned to extend the schedules over a period of two weeks. The courts of the east and west end parks and Battell park will be used by the players.
